Region 9

San Francisco, California 94105

Dear Ms. Strauss:

Enclosed are revisions to the California State Implementation Plan (SIP). These revisions consist of adopted, amended, and repealed rules, listed in Enclosure A, from the following air pollution control and air quality management districts (districts):

Feather River Air Quality Management District
Mojave Desert Air Quality Management District
Northern Sierra Air Quality Management District
Placer County Air Pollution Control District
Sacramento Metropolitan Air Quality Management District
Yolo-Solano Air Quality Management District

Also enclosed is Air Resources Board Executive Order S-16-012 adopting the districts' rules as revisions to the SIP. To meet the U.S. Environmental Protection Agency criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the districts. One compact disc and one paper copy, each containing the revisions in their entirety, are enclosed.

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption.
